LiPo TX-Pack Sanwa MT-4/Exzes-X 2400 - TX-only - 7.4V

The perfect transmitter battery for Sanwa M12, MT-4, Exzes-X and Gemini X.

Art. no.: 79991

This LRP LiPo battery has been especially developed for the Sanwa M12, MT-4, Exzes- X and Gemini X high- end transmitters. It features LRP's latest LiPo technology. With its weight of only 86g, the LiPo battery pack is extremely lightweight. This optimises the transmitter's balance. The high capacity of this 2S battery guarantees a significantly extended operating time of the transmitter.

Specifications
